3. **Justification and Learning Objectives for the Course.** (Indicate whether required or elective, and whether it meets University Writing, and/or Language requirements) [Use as much space as necessary]

Justification: This is an upper division interdisciplinary elective in political science and communication. Political communication is an important and developing area of study which allows students to gain the knowledge necessary to make informed decisions as consumers of news and also assists in the preparation of students seeking careers in journalism and public affairs.

Learning Objectives:

Upon completion of this course students will be able to:

* Press enter for the next bulleted item

  - Discuss the role that symbols play in the political process
  - Describe the concepts of agenda setting and framing in political communication
• Compare and contrast different sources of media communication to identify bias
• Design and write a persuasive media campaign based on a contemporary political candidate or ballot issue
• Analyze campaign advertising for fallacies
