3. **Justification and Learning Objectives for the Course.** (Indicate whether required or elective, and whether it meets University Writing, and/or Language requirements) [Use as much space as necessary]

This is a required course for the Bachelor of Science program in Business and for the minor in Economics. An understanding of the decisions of consumers and producers is essential for students of business and economics. This course will provide business and economics students with the knowledge, skills, and abilities to understand the economic behavior of consumers and producers, the nature of the price system, market structures, and public policy.

Learning Objectives:
Students who successfully complete this course will be able to:
- explain the economic behavior of households and individual firms
- describe and apply the scientific method to economic behavior
- apply the principles of supply and demand to determine prices and identify the factors that affect supply and demand.
- describe and distinguish between various forms of market structures
- evaluate the costs and benefits of alternative forms of public policy

4. **Is this a General Education Course**
   - YES
   - NO

**If Yes, indicate GE category:**
- A (English Language, Communication, Critical Thinking)
- B (Mathematics & Sciences)
- C (Fine Arts, Literature, Languages & Cultures)
- D (Social Perspectives)
- E (Human Psychological and Physiological Perspectives)

   Factor Markets

VII. The International Economy
   Gains from Trade
   Trade Barriers
   Foreign Exchange Markets

6. References. [Provide 3 - 5 references on which this course is based and/or support it.]

2001
7. List Faculty Qualified to Teach This Course.
   Dr. Dennis Muraoka
   Dr. Paul Rivera
   Dr. Ashish Vaidya

8. Frequency.
   a. Projected semesters to be offered: Fall _1____ Spring _1____ Summer _1____

9. New Resources Required.
   a. Computer (data processing), audio visual, broadcasting needs, other equipment
   b. Library needs
   c. Facility/space needs

   None

10. Consultation.
    Attach consultation sheet from all program areas, Library, and others (if necessary)

11. If this new course will alter any degree, credential, certificate, or minor in your program, attach a program modification.
