5. **Course Content in Outline Form.** *(Be as brief as possible, but use as much space as necessary)*

   • Introduction: review of course requirements
   • Conduct a personal pre program and post program assessment on each of the Standards prescribed by the California Commission on Teacher Credentialing.
   • Identify past significant experiences that demonstrate competency on standards
   • Develop a professional development and field experience plan of short and long term activities, tasks, and projects following the personal assessment on each standard. Complete the plan under the direction of the supervising administrator.
   • Carry out activities as defined by the professional development/field experience plan.
   • Monitor the plan and modify as needed throughout the program experience.
   • Keep a daily journal to document tasks, activities, and projects and integrate experiences with the standards using personal reflection and dialogue with the supervisor.
   • Assemble a portfolio of administrative experiences that document competence on each of the standards. The portfolio includes evidence of actual administrative experiences related to the standards and shows growth and development from an aspiring to an entry-level administrator. In at least one section, the portfolio demonstrates competency in the use of technology for presentation and communication of information.
   • Field work includes involvement in a variety of school settings reflective of the diverse communities of Ventura County and the State of California. Defined experiences including but not limited to actual involvement in student/parent discipline conferences, leadership of faculty meeting, involvement in IEP conference, observation and feedback on classroom instruction, observation and/or participation in faculty conflict/discipline conference and participation in addressing parent/student concerns.
   • Develop a dynamic professional development plan related to progress in meeting standards.
   • Conduct and document deep and sustained discussions with the supervising administrator on the challenges and responsibilities of the school principal.
   • Demonstrate professional attitude and behavior at all times while completing field experiences.
   • Complete the portfolio in preparation for final evaluation program competencies.
   • Participate actively with the supervisor and university coordinator in final evaluation of the program competencies.
