**Justification** The course sequence (EDSS 533 and 543) was adjusted to allow for continuity of topics over the two semesters and for a sustained focus on the two different levels of secondary school students. 533 will focus primarily on middle school and 543 on high school. Additions were also made to incorporate objectives relating to classroom talk. Corequisites were changed to reflect part-time and full-time student enrollment. The title was changed to match the other disciplinary methods in the program.
