3. Justification and Requirements for the Course. (Make a brief statement to justify the need for the course)
   A. Justification: This course will provide graduate students with the opportunity to complete a directed study under the direction of a School of Education faculty member. Because there was no graduate level directed study course, in the past EDUC 497 has been used. EDUC 497, however, is not appropriate for a graduate student’s plan of study.

   B. Degree Requirement:
      Requirement for the Major/Minor
      Note: Submit Program Modification if this course changes your program.

   X Free Elective

4. Learning Objectives. (List in numerical order. You may wish to use the following resource in utilizing measurable verbs: http://senate.csuci.edu/comm/curriculum/resources.htm)
   Upon completion of the course, the student will be able to:
   1. Identify an area of study
   2. Choose an appropriate method for research / study of the area based on readings and discussions of research theory
   3. Identify and describe the significant information or skills to be gained from the study
   4. Design and implement a study of the topic or area
   5. Complete and present appropriate documentation of the study that was conducted

5. Course Content in Outline Form. [Be as brief as possible, but use as much space as necessary]
   Content will be determined by student’s area of study or topic. Students will identify an area for study, an appropriate method for the study, and significant information or skills to be gained from the study. Students conduct the study and prepare appropriate documentation of the study under the direction of a School of Education faculty member.
