**EXISTING PROGRAM**

**SPECIAL EDUCATION TEACHING CREDENTIAL: MILD TO MODERATE DISABILITIES, LEVEL I**

The program prepares candidates to teach students in self-contained special education and general education classrooms. The program specifically prepares candidates for the diversity of languages and cultures often encountered in California’s public school classrooms. The program prepares candidates to address the needs of students who speak English as a native language and/or as a second language in the elementary or secondary school setting. An underlying principle of the program is the belief that all children (regardless of race, ethnicity, gender, ability or economic status) are capable of learning. Emphasis is placed on the K-12 student actively engaged in his/her learning.

This is a post baccalaureate program that has two levels. Level I prepares candidates for a preliminary certificate. After Level I is successfully accomplished, Level II is completed while working in a special education setting and requires the collaboration of the university preparation program and the candidate’s employing school department. Successful completion of the Level II program will result in the candidate’s eligibility for a professional certificate.

**CAREERS:** The Education Specialist Program prepares candidates to complete the California Commission on Teacher Credentialing standards for the preparation of teachers of children with mild and moderate disabilities from kindergarten to grade 12.

**REQUIREMENTS FOR ADMISSION TO THE EDUCATION SPECIALIST TEACHING CREDENTIAL PROGRAM:**

1. **Application.** Application to both the University and the Education Program Area. Applications to the Program are available in the Credential Office.

2. **CBEST Examination.** Students must pass the California Basic Educational Skills Test (CBEST) prior to admission to the Education Specialist Teaching Credential Program. Students are urged to take this examination at the earliest possible time after deciding to pursue a teaching credential.

*3. **Subject Matter Preparation.** The CSU Channel Islands Liberal Studies Option 3 – Teaching and Learning best prepares students for the subject matter knowledge and skills required for

*3. **Subject Matter Preparation.** The CSU Channel Islands Liberal Studies Option 3 – Teaching and Learning best prepares students for the subject matter knowledge and skills required for
the Education Specialist Teaching Credential Program. Prior to admission to the CSU Channel Islands Education Specialist Teaching Credential Program, students may also complete a state-approved multiple subjects subject matter program from other California colleges or universities. Students who have not completed a state-approved subject matter program must pass a California Subject Examination for Teachers (CSET) in any content area or Multiple Subjects Assessment for Teachers (MSAT) prior to admission to the Education Specialist Credential Program. The CSET or MSAT examination results are valid for five years from the date of passing and must be valid upon final completion of the program.

4. Prerequisite Courses in Education (12 units). If taken at CSU Channel Islands, the course must be completed within seven (7) years prior to beginning the program with a grade of “C” or better. If an equivalent course at another college or university has been taken, it must have been completed within five (5) years prior to beginning the program.

ENGL 475 Language and Social Context  3
EDUC 510 Learning theory and development applied in multicultural education contexts  3
EDUC 512 Equity, Diversity and Foundations of Schooling  3
SPED 345 Individuals with Disabilities in Society  3

5. U.S. Constitution. Knowledge of the U.S. Constitution demonstrated by completion of two units (semester) of a college level course or college level examination.

6. Grade Point Average. A student must have a cumulative grade point average (GPA) of 2.67 or 2.75 in the last 60 semester units completed to be accepted into the Education Specialist credential program offered at CSUCI. If a student does not have the required GPA, conditional admission may be available on a limited basis.

7. Health Clearance. Evidence of a negative tuberculosis test is required. The tuberculosis test is valid for four (4) years and must be valid through student teaching. The tuberculosis test may be completed at a private physician’s office, the County Health Department, or the CSUCI Student Health Center.

8. Certificate of Clearance. Students must possess or apply for a valid Certificate of Clearance as part of admission to the Teaching Credential Program. A copy of an emergency permit satisfies the clearance requirement.

9. Two Sets of Official Transcripts. One official set of transcripts from each of the colleges or universities attended must be mailed directly to the CSU Channel Islands Office of Admissions, and one official set of transcripts must be submitted to the Credential Office with the program application.

10. Two Letters of Recommendation. Two letters of recommendation from faculty, employers, and/or others who are knowledgeable about the student’s personal qualities and potential to work with children must be submitted with the program application.

11. Experience. At least 45 hours of documented field experience in a K-12 classroom or an equivalent documented field experience must be completed.

12. Bachelor’s Degree. A bachelor’s degree or all
undergraduate academic subjects must be satisfied toward a bachelor’s degree before entering a teacher education program. A bachelor’s degree is a requirement for teacher certification.

13. Writing Sample. Writing samples are required as part of the application process. The writing sample includes a 500-600 word essay describing the applicant’s interest in teaching children with disabilities and with the diversity of languages and cultures represented in California schools.

14. Interview. An interview is conducted by an Education Program Admissions Committee once all other portions of the admissions requirements are complete.

Please Note: The California Commission on Teacher Credentialing requires passing the Reading Instruction Competence Assessment (RICA) for the initial issuance of a Education Specialist Credential. RICA consists of passing one of two components, either a comprehensive examination or a performance assessment. It is recommended that the Assessment be taken after completion of the Literacy I and Literacy II courses in the credential program.

PROGRAM MAINTENANCE REQUIREMENTS

As a condition of remaining in the program, students must maintain a grade point average of 3.0 (B) or better, with no course grades lower than a C+

SUMMARY OF CHANGES

Two changes are being proposed to the Special Education Teaching Credential Program. First we propose to add a new course SPED 544 Inclusionary Teaching Methods (2 units). The second is to modify SPED 541: Foundations of Special Education from a 3 unit course to a 2 unit course.

JUSTIFICATION

Both of these changes are proposed due to reflection and analysis of program outcomes after the first semester of program implementation. During the first semester of the program we realized our students needed more in depth knowledge about teaching methods, specifically methods for teaching students in the general education setting (inclusion). The students were not able to make the connection between their role as a special education teacher and working in the general education classroom. Therefore, we propose to add SPED 544, Inclusionary Teaching Methods, a two unit course that will focus on teaching methods for working with students with disabilities in the general education setting.

The second change is proposed due to the intense nature of the program. In order to add a class to a year long credential program it is essential to reduce the unit load from another course. After careful consideration SPED 541, Foundations of Special Education, was chosen as the course to reduce.
