3. Justification and Learning Objectives for the Course. (Indicate whether required or elective, and whether it meets University Writing, and/or Language requirements) [Use as much space as necessary]

Learning Objectives:
Students will learn to utilize strategies for writing which include:
1) understanding what is expected of any given writing task;
2) determining an appropriate focus for that task;
3) planning and researching;
4) composing a text that is well-organized and fully developed;
5) determining and following the conventions of grammar and style that are required for "successful writing" in a given technical writing situation.
6) Evaluate technical descriptions, business communications, proposals and reports for targeted audiences.
7) Produce professional quality technical descriptions, communications and correspondence, formal and informal proposals and reports.

4. Is this a General Education Course  YES  NO
