Lab Included? Yes _____ No __X__

Please provide a brief explanation of how the proposed course meets each of the criteria for the selected General Education categories.

**All Category E courses shall:**
- Promote an understanding that humans, as physiological and psychological beings, exist and live in a social and physical environment.
- Focus on some aspect of human physiology, psychology, health, or physical activity.

This course will examine physical education and health perspectives on wellness including various exercise forms, fundamental concepts of diet and nutrition, mental fitness fundamentals and concepts, stress and how to handle it, longevity, and mind-body connections.
