## Academic Senate Newsletter

Dear Colleagues—

There are just a few weeks left to the end of our semester, and while we have had our last senate meeting already, there are just a few announcements remaining, along with a few requests to finish our school year. However, before I get into the new information, I'd like to make a statement regarding the sequence of events at our last senate meeting. As you may recall, we had a very full agenda. As it was the last senate meeting of the academic year we did not collect any new "intent to raise questions" since they would not be answered until September. However, I did mention that I would take additional questions for Ed Lebioda, and other items as needed. *If you wish to submit a question to be investigated please send it to me by Wednesday, May 14, 2014.* Additionally, in the meeting, there was a question raised about debating a motion to postpone to a time certain for the FAC policies that were up for a second reading. Debate on the motion was not allowed, and we found this to be an error. Debate is not allowed on items to be tabled—and our bylaws do not allow items to be tabled to the next meeting. Moving this to a postponement should have been debatable. It was all quite confusing and I send my apologies to the committee. We will see these two policies as second reading items at our first meeting next academic year.

So, looking forward now, I wish you all a great end of the semester! But, before you go, please be on the lookout for a call for Campus Committees. These committee positions are open to all lecturer faculty who are teaching 6WTUs or more, and all tenure track faculty. Senate Executive Officers will be forwarding names of recommended faculty to the President for approval prior to appointments.

There are some important LONG announcements below. I'm still working out some formatting issues, so please keep scrolling!

Happy Finals everyone! I hope to see you at Commencement--and as a reminder, be sure to check below to see when your program is scheduled--either morning or afternoon. Many programs are switching this year!

Jeanne
