4. **Justification and Requirements for the Course.** *[Make a brief statement to justify the need for the course]*

OLD	NEW
The Service Learning/Internship course provides students with the opportunity to augment classroom learning with practical application while meeting a specific need within the community. In addition to providing hands-on experience, the Service Learning/Internship course involves the student in the community such that reciprocity becomes an integral part of learning: critical thinking, communication, cooperation and classroom knowledge are applied toward the assessment and solution to local problems in accountancy. The objectives, goals and standards of conduct shall be identified in a contract between the student, faculty advisor and community agency.
