JUSTIFICATION
The Minor in Anthropology was approved in Senate Resolution 2001-30 passed 11/27/01 and signed by President Rush 12/18/01. This is a revision of the specific courses being required.

Substantial coursework is offered in Anthropology at every community college in the CSUCI service area, so students should be offered an opportunity to continue their studies in Anthropology. Anthropology offers a nexus of interdisciplinary training. All courses required for the minor meet General Education requirements, with several meeting Liberal Studies Teaching and Learning Option as well.
