**Instructions:** Please use this Program Modification form for changes to existing program requirements, units, outcomes, emphases or options, or for other programmatic concerns. For minor changes (faculty or address changes, additions of approved electives, minor editing for clarity, and other minor updates) use the Program Update form, available at the Curriculum website.

Paste the latest approved version of your entire program in the left AND right boxes below. Make your deletions in the LEFT column by using the strikethrough feature in Word or underlining, **and highlight**. ### SUMMARY OF CHANGES

LOWER DIVISION REQUIRED COURSES AND THEIR EQUIVALENTS: Students must obtain a grade of C- or better in each of these courses to apply them to the Business Major.

UPPER DIVISION REQUIRED CORE COURSES: Students must obtain a grade of C- or better in each of these courses to apply them to the Business Major.

UPPER DIVISION REQUIRED ELECTIVE COURSES: Students must obtain a grade of C- or better in each of these courses to apply them to the Business Major.

### JUSTIFICATION

Grades should be set at a level of academic achievement that is the minimum required to successfully complete the degree program. We have observed that the current minimum grade of D- does not reflect student understanding of the course material and increases the likelihood for grade problems in future courses that build upon that knowledge.
