5. Course Content in Outline Form. [Be as brief as possible, but use as much space as necessary]

6.	Ref	ferences. [Provide 3 - 5 references on which this course is based and/or support it.]				
	No	one .				
7.	Lis	t Faculty Qualified to Teach This Course.				
	All	Computer Science Faculty				
8.	Fre	equency. Projected semesters to be offered: FallX Spring _X Summer				
9.	New Resources Required.					
	a.	Computer (data processing), audio visual, broadcasting needs, other equipment				
		None				
	b.	Library needs				
		Standard University library facilities.				
	c.	Facility/space needs				
		Overhead projector, Power Point and standard classroom equipment				
10.		nsultation. ach consultation sheet from all program areas, Library, and others (if necessary)				
11.	If the	his new course will alter any degree, credential, certificate, or minor in your program, attach a program modification				
Pro	pos	er of Course Date				

Supervised project involving theoretical research in the field of computer science or its applications. Presentation at the Senior Colloquimr.
