(If Cross-listed please submit a form for each prefix being deleted)

Prefix ECON Course# 300 Units (3)

Title Fundamentals of Economics

Description: Basic economic training for citizens who wish to exercise a reasoned judgment about economic issues in public affairs. Content generally same as Econ 110, 111 in condensed form. Not open to students with credit in Econ 110 or 111.

2. Justification.

This course was originally created to serve primarily Liberal Studies majors; however, due to a change in the Liberal Studies curriculum, this class was no longer needed, and as a consequence, this class has not been offered in over five years. Its continued presence in our programs [both minors and majors] causes confusion for both native and transfer students.
