3- Discussion Items:

(1) How do we want to treat new GE course proposals right now? Example for communications to CHS and PSY about enforcing GE course percentages per program

Options:

- (a) Approve these with strong communication that new proposal in AY2020 will be strictly held to the percentages.
- (b) Enforce the percentages right now in AY2019

(2) How do we want to handle GE course mods for courses historically passed by GE Committees to have GE attributes?

Options:

(a) Accept their GE attributes but require GE Outcomes be identified in SLOs and GE justification fields provided (for UDGE, fields for Mission Categories as well).

(b) Re-examine their "GE ness"
