Reviewing some of the GE courses that are completed in curriculum new Math representative Alona joined the committee.

Stacy reminded that Jeff mentioned during the last academic year GE Committee meeting that courses might/can be credit non-credit as far as grading go.

ART 435 and ART 436 rerouted to the program to fill the GE SLOs for UDGE C fields and IA and MP and an outcome for C in the SLOs (one for the C and one for the pillar). Andrea to email Liz King: "the GE committee said that you should consider dropping the prerequisite to be a better UDGE".

ECON 444 for Andrea will entered the email

All SPAN re-routed to the program: courses need the SLOs
