3. Other Items
 - Peters will keep a running list to the faculty of what Curriculum Committee wants to see on all of the forms.

- The committee discussed holding a meeting in January. January 15th 1-3 PM. Mozingo will look into being reimbursed for the time for AY faculty.
- Dean Lefevre spoke with Mozingo about the Committee guiding him on what courses should be in the catalog. The committee determined that they do not have sufficient information to make the determination.
- The committee will suggest to the Dean and Catalog Task Force that self-support programs are in a separate section of the catalog with the cost. There can be reference in the state supported sections to “see extended education”.
- Psychology was left off of the above list of course-Pettit will add it to the next agenda. The committee is waiting for a response from Baker regarding the memo.
- Peters and Denney requested a list of what the committee has seen thus far. Pettit will compile and send to all members.
