**Present: Maria Denney, Bill Cordeiro, Scott Frisch, Nancy Mozingo, Amy Wallace**

1. Approval of Minutes from 10-25-04
  - Minutes were not available. Will be distributed by e-mail.
2. Review of Education Specialist: Mild/Moderate Disabilities Credential Level II
  - Mozingo asked for clarification on what is mild/moderate
    - Denney stated that mild/moderate is usually students with learning disabilities, behavior disorders, high functioning autism and ADHD.
  - Cordeiro asked was the difference between Level I and II
    - Denney answered Level I is the initial credential and is good for up to 5 years. After the 5 years a teacher must obtain a Level II credential. The Level II credential is focused on advanced methodology and assessment. Students applying for a Level II credential must already have a Level I.
  - Cordeiro asked how long it would take a student to complete the credential.
    - Denney stated that students must be working at the same time so it would take a student 2 years attending the program part-time.
