4. Discussion on repeatable courses

The Student Affairs Policy Committee requested information on repeatable courses. Virgil Adams will advise the SAP of our current practices for topical courses and the way they are featured in the catalog. The Committee will also poll the chairs on changes that need to be made in PeopleSoft noting the repeatability of topical courses.

5. **Pending Issues**

- A. Nancy suggests the committee consider numbering schemes for graduate courses.
- B. Multicultural Requirements. The Committee will do independent research on defining the CI multicultural requirements which are currently absent from the catalog. Members should be ready to discuss their research at a subsequent meeting.

5. **Next Meeting:** November 1, 2005, Sage Conference Room, 2nd Floor
