## Curriculum Committee Meeting Minutes

### November 8, 2005 – Sage Hall

Attendees:      Nancy Mazingo                      Virgil Adams                      Liz King  
                      Kathy Musashi                      Paul Rivera                      Lillian Castaneda  
                      Bill Cordeiro                      Steve Stratton

1.      **Minutes.**

The minutes for November 1, 2005, were approved as submitted.

2.      Additional Meetings and Priorities

Due to the high volume of programs and courses on the committee's workload, Bill, Nancy and Kathy agreed to work for the next two Fridays. They will make recommendations to the committee to expedite the backlog of programs and courses.

There was also discussion on the priority of the workload. The Committee expects to hear from the Provost's Office soon on the academic plan.

3.      **Program Reviews**

- BS Nursing – Discussion. The committee began the review but did not complete the long form. The committee inquires about the need to call out ANTH 102, ANTH 443, BIOL 432, (page 6 of the long form) if it is not necessary to do so. The committee understands this may be regulatory, however, if it is not, the committee recommends that students have the ability to choose from an elective grouping.
