Update on Articulation on the GE. Great progress on it. Once Articulation and GE decides the final decision

Marie: went over the new addition to list in the CC (see bottom of CC agendas) agenda the decrosslisting project. They have been talking to the programs about decrossslistings, it is being brought up in the GE talk with the programs.

BGillaspie said is not a priority yet but it is a good conversation, something we maybe take up the end.

Janet and Blake to go over the GE so curriculum committee.

BGillaspie we are not going to see them as a package.

Assigning per prefix? Or assign on the spot.

Add GE to Consent items

Jeanne and Blake giving update on last APC meeting : the APC process, proposal to senate on program curriculum committee, Math project.

Marie: some campus they are happy for Math to keep it but some it's a campus decision and Chris Malon says it is a campus decision

Jeanne: is going to be meeting with the Deans that they were earlier in the process, they were shocked
The reason to get administrative level

GWAR update from Blake Gillaspie: 2 issues one that includes a moratorium. The idea would be a suspension of GWAR for a period of time. They are going to decide if there will be relationship with GE. The other is the fact it becomes a permanent GWAR committee and it should be done by the CC. The evaluation and process of those courses should be CC, there would be around give or take 20 courses and there is no need to create another committee.

Marie is saying that there is more pedagogical issues and instructor preparation that is not CC it is more to those instructors to give them an opportunity to do it instead of the CC.

GWAR task force will come up with a policy

Jeanne is GWAR supposed to be a joined task with CC?
The idea is that there should be a person from CC in the GWAR but it did not happen.

BG: CC does not own everything but creating more committee to evaluate curriculum

Jeanne G we need the picture of the whole.

CC is very complex at CI.

Asking for Multicultural update from Monica
Scott invitation to be here
And the CC project

The EDPL courses will be done by Articulation
