- **Minutes: 10-10-18**

Minutes and agenda Approved

Monica Rivas updated on policy, going over the Major and Upper division units document prepared by Monica Rivas
Discussion about the BA and BS units. We need to update our policy to be in line with Title 5.

Update on the Art program
2 majors within one Jasmine conclusion. Reviewing the ART Major they looked at other CSU to revise their major.

Blake G. What is the impact in the current workload for art in the Curriculum?
Jasmine: some courses are just removing prerequisites that won't impact the major.

American Institutions
CI policy on American Institution, is there any? No. The American institution is in our catalog. Discussion is to the catalog to be updated to remove the unit requirement and leave just content of course requirements.
How are we going to code this in PS? Andrea suggested adding attributes to the courses in PS and adding a separete field in Acalog and Curriculog.

Barriers to Graduation
Blake G is asking fo the staff to write a report for their areas and their knowledge for what the Graduation roadblock by November 16th.

Curricular proposal review updates from all John is working with the Staff (Blake and Andrea) and chair on the Business proposals.

Main Agendas Item for the APC is the APC questions in the Curriculum priority
