**Instructions:** Please use this Program Modification form for changes to existing program requirements, units, outcomes, emphases or options, or for other programmatic concerns. For minor changes (faculty or address changes, additions of approved electives, minor editing for clarity, and other minor updates) use the Program Update form, available at the Curriculum website.

Paste the latest approved version of your entire program in the left AND right boxes below. Make your deletions in the LEFT column by using the strikeout feature in Word or underlining, **and highlight**. Insert new language or other changes to the program on the RIGHT and highlight in **YELLOW** for easy identification. If possible, please align the two columns so that changes appear side-by-side with the original text.

### SUMMARY OF CHANGES

- 1) CHS will be lowering the language requirement for Majors. It will only require SPAN 201 or SPAN 211 because we identified that the existing language requirement SPAN 202 or 212) prevented many students from majoring in CHS.
- 2) Math 105 needs to be removed from the prerequisites for SOC 310. SOC 310 is listed under Theory and Methods
- 3) Added CHS 492 Internship with *Consent of instructor*
- 4) Added CHS/ENG 353\*Chicano/a Latino/a Literature has been re-submitted for approval
- 5) Deleted ENGL 378 Contemporary Native American from upper divisions electives
- 6) Added SOC 360: Race and Ethnicity
- 7) Changed the wording under Upper Division Electives to "Select three of the following or other CHS classes not already used in the major"

\*\*\* also Please delete CHS 210 course in the course catalogue (page 230). This course has never existed.

## JUSTIFICATION

- 1) We decided to lower the Language Requirement for students so they have more flexibility and encourage them to major or double-major in CHS.
- 2) Math 105 has been eliminated as a pre-requisite for SOC 310
- 3) Deleted "Service Learning" from CHS 492 to make it an Internship course with "Consent of Instructor"
- 4) CHS/ENG 353\*Chicano/a Latino/a Literature has been re-submitted for approval by the English Program.
- 5) Removed ENGL 378 Contemporary Native American from upper divisions electives because the focus is not on Chicano/as and Latino/as..
- 6) This course was added under Upper Division elective because we have Sociology majors who have taken this course and are also interested In majoring in CHS.
- 7) Added this statement because the blanket sub noted this option as some CHS majors do more CHS classes than required.

- Bachelor of Arts in Chicana/o Studies: Transborder Communities
- Minor in Chicana/o Studies: Transborder Communities

The Bachelor of Arts degree in Chicana/o Studies offers a curriculum that examines current and past experiences of Chicanas/os and other hemispheric Latina/o Americans whose origins exist south of the United States/Mexican and United States/Caribbean border. The Minor in Chicana/o Studies affords students the opportunity to investigate the multi-dimensional culture of the Chicana/o Community in the United States. It is, by definition, interdisciplinary and seeks to provide students with a nuanced appreciation of the population. The minor offers non-majors the opportunity to investigate the historical complexities of societies and social movements and their legacies in the present.

## Careers

The Chicana/o Studies major prepares students for careers in the private sector, education, government agencies, or non-profit organizations that serve communities with a significant population of people with origins from Mexico and other nations of Latin America.

## Program Learning Outcomes

1. Demonstrate knowledge of the history and culture of people of Mexican and Latin American origins in the United States, specifically within the region of Southern California.
2. Analyze the literary, performative, and visual expressions of Chicanas/os and Latinas/os.
3. Distinguish variations within Chicana/o communities in respect to class, culture, ethnicity, gender, race, and sexuality.
4. Identify and discuss the major theoretical and conceptual questions informing Chicana/o Studies over time.
5. Summarize, explain, and apply social science methods for analyzing social, political, and economic phenomena relevant to the multicultural populations such as demographic trends, public policy, judicial systems, segregation, business practices, public health concerns, etc.
6. Effectively demonstrate competence in oral, written, and/or visual media to present research findings.
