   **A. Justification:**
   
   This course provides advanced acting exercises in performance styles that have not been studied in Acting I or Acting II. For graduating PATH students this course enhances the number of practical experiences and theoretical approaches through in-depth study at an upper division level. This course offers a diversity of performance styles that prepares students more effectively in the pursuit of professional acting opportunities, teaching, and graduate study.

   In 2014-2015 this course will be an elective for PATH and other PA students (PAMU, PADA, and PA minor). From Fall 2015, when a PA Program modification will be submitted, this course, ACTING III, will be required of PATH students, and remain an elective for PAMU, PADA, and PA minor students.
