## University Retention, Tenure, and Promotion Policy

**SUPERSEDES:** SP 17-08

**DRAFTED BY:** 2021-22 Faculty Affairs Committee: Elizabeth Blackwood, Stephen Clark, Lydia Dixon, Jacob Jenkins, Lorna Profant, Bryan Tomlin

**Accountability:** Division of Academic Affairs, Division of Student Affairs (for Counselor faculty)

**Applicability:** All CSUCI faculty and administrators involved in the Retention, Tenure, and Promotion process.

**Background:** During the 2019-2020 academic year, the Faculty Affairs Committee (FAC) received from the University Retention, Tenure, and Promotion Committee (URTPC) a request to clarify the role of Program Chairs in the retention, tenure, and promotion process (RTP), and during the 2020-2021 academic year, the URTPC presented to the Academic Senate additional suggestions for improvement of RTP policy. This revised version of the policy is the product of the FAC's effort to address the issues identified by the URTPC along with others that the FAC has encountered in its own review of SP 17-08, which has been in effect since the fall of 2018.

**Effective date:** Fall 2023

### Policy Text:

- A. RETENTION, TENURE, AND PROMOTION AND THE UNIVERSITY MISSION
  - 1. California State University Channel Islands is committed to providing high-quality, student-centered instructional programs to all constituencies. Excellent faculty members, dedicated to continued intellectual and professional growth, are essential to fulfilling our commitment. All elements and standards of faculty performance review recognize and reflect the following elements of the University Mission:
    - a. placing students at the center of the educational experience
    - b. providing undergraduate and graduate education that facilitates learning within and across disciplines through integrative approaches
    - c. emphasizing experiential and service-learning
    - d. graduating students with multicultural and international perspectives
  - 2. Retention, tenure, and/or promotion of a faculty member shall always be determined on the basis of demonstrated competence and professional performance, and never on the basis of beliefs or on any basis that constitutes an infringement of academic freedom.
- B. APPLICATION OF THIS DOCUMENT
  - 1. This document establishes the policy for retention, promotion, and granting of tenure for probationary faculty, and the promotion of tenured faculty at CSU Channel Islands. This policy is governed by the Unit 3 Collective Bargaining Agreement (CBA).

## University Retention, Tenure, and Promotion Policy

2. The policies in this document apply to teaching, counseling, and library faculty.
3. At CSU Channel Islands, all phases of the RTP process support faculty growth and development and also serve as the formal means of performance review. To further growth and development, it is important both to the University and to the faculty member that each faculty member establish a plan to meet program and University standards, as reflected in this document and the faculty member's PPS (or GPS in the absence of approved PPS).
4. The policies and procedures of this document are subject to CSU Board of Trustees policies; the California Administrative Code, Title 5; California Education Code; the Unit 3 Collective Bargaining Agreement (CBA); and other applicable State and Federal laws.
5. Throughout this document, the word "shall" indicates mandatory action; the word "may" indicates permitted action.
6. This document shall apply to all tenured and probationary faculty subject to RTP review whose appointments begin in AY 2023-2024. Faculty subject to RTP review who were appointed prior to AY 2023-2024 may elect to be governed by this document; absent such election, they shall be evaluated according to the policy in effect at the time of their appointment.

### C. GENERAL STANDARDS FOR RETENTION, TENURE, AND PROMOTION

1. Each faculty member is expected to make suitable contributions to the University in three areas: Teaching and/or Professional Activities; Scholarly and Creative Activities; and Service. Retention, tenure, and/or promotion (RTP) require that achievement be demonstrated in each of the aforementioned areas.
2. For retention (reappointment) reviews, the levels of achievement attained by faculty in the aforementioned performance areas shall be indicated by using one of the following descriptors:
  - a. On track to meet or exceed Program Personnel Standards

## University Retention, Tenure, and Promotion Policy

- b. Not yet on track to meet Program Personnel Standards
- 3. For tenure and/or promotion reviews, the levels of achievement attained by faculty in the aforementioned performance areas shall be indicated by using one of the following descriptors:
  - a. Meets or exceeds Program Personnel Standards
  - b. Does not meet Program Personnel Standards
- 4. For retention reviews, ratings shall be assigned keeping in mind the faculty member's current year in the review process, as well as their overall growth and development in the progression toward tenure and/or promotion. Therefore, standards applied by reviewers shall be in line with reasonable expectations for probationary faculty growth, development, and achievement along their entire path toward tenure and/or promotion.

### D. UNIVERSITY RETENTION, TENURE, AND PROMOTION COMMITTEE

- 1. The University Retention, Tenure, and Promotion Committee (URTPC) shall be composed of seven, tenured Full Professors who serve on rotating two-year terms.
- 2. The URTPC shall include representation by faculty from each of the major disciplinary areas within the University as outlined below:
  - a. Arts and Humanities (1)
  - b. Math and Sciences (1)
  - c. Behavioral and Social Sciences (1)
  - d. Business and Economics (1)
  - e. Library and Counseling (1)

elected, with the following exceptions:

- a. A faculty member who is on an approved leave of absence
  - b. A faculty member who is participating in the Faculty Early Retirement Program
  - c. A faculty member with health problems that have been documented by a physician
  - d. A faculty member who will be on sabbatical during the upcoming academic year
  - e. A faculty member with less than one year of service at CSU Channel Islands
  - f. Upon completion of four total years of service on the URTPC, faculty members may choose to exempt themselves from any or all of the next four URTPC election cycles. To qualify for this exemption, the four total years of service on the URTPC are not required to be served consecutively. In order to be exempted, the faculty member shall notify FASE before the election is scheduled. If a faculty member does not provide notification in advance of the election, the faculty member's name shall be placed on the ballot, and, if elected, they shall serve for an additional two-year term.
  - g. If there is only one eligible faculty member available to represent their disciplinary area as listed above, that individual may opt out of serving on the URTPC, and if so, the position in question reverts to an at-large position for the next two-year term. However, given the unique nature of Library and Counselor faculty duties, if there is only one Full Librarian or Full Counselor faculty member eligible to serve after all exceptions above have been applied, the Full Librarian or Full Counselor faculty member in question shall serve on the URTPC.
4. If a member of the URTPC has a conflict of interest or believes that they cannot provide an unbiased recommendation regarding a candidate, the faculty member in question shall contact FASE with a request to be recused from committee deliberations on the candidate in question. The administrator in charge of FASE shall decide whether to grant the request. If the request is granted, the recused URTPC

member shall not participate in the deliberations on the candidate in question, nor sign the corresponding evaluation and recommendation, but **shall** participate in review of other candidates.

5. The election process for the URTPC shall be conducted by the Academic Senate, with the list of eligible faculty to be provided by FASE.
6. Before the end of the spring semester, all tenured and probationary faculty shall be invited to vote for the following academic year's URTPC from the list of eligible faculty in the disciplinary areas listed above.
7. In accord with the CBA stipulation that faculty unit employees shall not serve simultaneously on more than one level of peer review, PPC members and Program Chairs shall not serve on the URTPC.

### E. PROGRAM PERSONNEL COMMITTEES (SEE ALSO SECTION S BELOW, RESPONSIBILITIES OF THE PROGRAM PERSONNEL COMMITTEE)

The Program Personnel Committee (PPC) shall be constituted as follows, in accord with Article 15 of the Collective Bargaining Agreement (CBA):

1. At the outset of each academic year (or according to the timeline in program bylaws), the probationary and tenured faculty of each program or equivalent unit shall elect a single three- or five-member Program Personnel Committee (PPC) of tenured faculty for the purpose of evaluating and recommending faculty who are being considered for retention, tenure, and/or promotion.
2. In accord with the CBA, all PPC members shall have a higher rank/classification than all faculty being considered for promotion in a given year. Therefore, if program faculty members are under consideration for promotion to Full Professor, all PPC members shall hold the rank of Full Professor.

## University Retention, Tenure, and Promotion Policy

3. When there are insufficient eligible program faculty to constitute the PPC according to CBA requirements, the PPC shall include faculty from (a) related academic discipline(s).
4. In accord with the CBA stipulation that faculty unit employees shall not serve simultaneously on more than one level of peer review, faculty members already elected to the URTPC are ineligible to serve on the PPC.
5. In accord with the CBA, faculty unit employees being considered for promotion are ineligible for service on PPCs.
6. At the request of a program, the President may agree to permit faculty participating in the Faculty Early Retirement Program (FERP) to stand for election to membership on a PPC. However, the PPC shall not be composed solely of faculty participating in the FERP.
7. A Memorandum of Understanding shall determine PPC membership for joint-appointment faculty and shall also specify the PPS to be used for review of joint-appointment faculty. The Memorandum of Understanding shall comply with the CBA language on constitution of PPCs for faculty holding joint appointments (see article 15).

## F. APPOINTMENT

Appointments of tenure-track faculty are of two kinds:

1. Appointment as probationary (tenure-track) faculty:
  - a. Appointment to probationary status implies that a faculty member will earn tenure and/or promotion if their performance demonstrates levels of achievement as described in this document and those of their approved Program Personnel Standards (or General Personnel Standards in the absence of approved PPS).

## University Retention, Tenure, and Promotion Policy

- b. Normally, a probationary (tenure-track) faculty member is given a two-year initial appointment upon hire.
- c. Probationary faculty with a two-year initial appointment shall undergo RTP reviews before they are reappointed to a third, fourth, fifth, and sixth probationary year, and for the granting of tenure and/or promotion.
- d. Per the CBA, probationary faculty are normally eligible for tenure and promotion after six (6) years of full-time probationary service (and service credit).

### 2. Appointment as tenured faculty:

Tenured faculty at the Associate Professor, Associate Librarian, or Associate Counselor rank are subject to RTP review when they apply for promotion, normally during their fifth year of service at rank.

## G. SERVICE CREDIT: CREDIT FOR PRIOR EXPERIENCE

- 1. Accomplishments during years for which service credit is granted shall never be sufficient in and of themselves for the granting of retention, tenure, and/or promotion.
- 2. A faculty member hired with service credit may include accomplishments prior to their employment at CSU Channel Islands in their Portfolio for RTP review for the purposes of demonstrating overall growth and development.
- 3. Per the CBA, a maximum of two years of service credit may be awarded at the time of initial appointment.

## University Retention, Tenure, and Promotion Policy

1. The Professional Development Plan (PDP) is the faculty member's agenda for achieving the professional growth necessary to qualify for retention, tenure and/or promotion. The plan shall be submitted before the start of the second semester of the faculty member's initial appointment, except for faculty hired at the rank of tenured Full Professor.
2. The PDP shall be reviewed and approved by the end of the faculty member's first full academic year of appointment.
3. The PDP shall describe the activities that the faculty member plans to undertake and the goals they plan to achieve in order to merit the granting of tenure and/or promotion, eventually to Full Professor. While more focus and specificity shall be given to planning for the first two years, the plan shall address the entire period prior to applying for tenure and/or promotion.
4. The purpose of the PDP is to give a faculty member at CSUCI the opportunity to specifically address how, given their background, experience, and interests, they would meet University and program requirements for tenure and/or promotion, and to receive feedback on the plan from the PPC, the program Chair (if not on the PPC), and the Dean (or appropriate administrator for Counselor faculty).
5. The PDP is a planning document; it is not a formal agreement or contract. PDP statements for Teaching (Professional Activities for Librarians and Counselors); Scholarly and Creative Activities; and Service shall not exceed (500) words each. These statements shall describe the faculty member's professional goals, areas of interest, resource requirements and expected accomplishments in each of the three areas in order to meet the Program Personnel Standards for tenure and/or promotion.
6. The approved PDP shall be included in the faculty member's Portfolio that is submitted when applying for retention, tenure, and/or promotion. For tenured faculty, the PDP shall be included in the Portfolio when the faculty member applies for promotion.
7. The PDP shall be reviewed by the PPC, the Program Chair (if not on the PPC), and the Dean (or appropriate administrator for Counselors), each of whom shall

provide written feedback according to the timetable determined by **FASE** (the Division of Student Affairs for Counselors), but prior to the end of the faculty member's first full year of service.

- a. In the event that the PPC, Program Chair, or Dean (or equivalent administrator) does not approve the PDP, the faculty member shall revise and resubmit it within two weeks.
- b. After re-submittal, if the PPC, Program Chair, or Dean (or equivalent administrator) makes further suggestions for modifications, the faculty member **shall**, within two weeks, submit a revised PDP.
- c. Revision of the PDP in subsequent years is not normally necessary, but if a faculty member's focus deviates **substantially** from the PDP during the probationary period, an explanation regarding this deviation shall be provided in the narrative of the appropriate section of the **Portfolio when undergoing RTP review**.

### I. PROGRAM PERSONNEL STANDARDS

1. For all RTP actions, performance shall meet established University and Program Personnel Standards (PPS) in order for a positive decision to be made.
2. **All PPS shall include explicit expectations that candidates and reviewers shall incorporate both the PPS and the relevant university RTP policy in their deliberations.**
3. Program Personnel Standards, developed by program faculty, **shall** be submitted to the URTPC, which is elected by the CSU Channel Islands tenure track faculty as a whole, and approved by the Provost (VPSA for Counselor faculty). Each program's PPS shall become effective upon approval by the URTPC and the Provost.

## University Retention, Tenure, and Promotion Policy

4. PPS shall be reviewed by the URTPC and the Provost (VPSA for Counselor faculty) on a rotating, five-year basis, unless otherwise requested by Program Personnel Committees or by the President or the President's designee.
5. Each program shall state in its PPS the appropriate indicators of professional growth and accomplishment for its faculty in the areas of Teaching (Professional Activities for Librarian and Counselor faculty); Scholarly and Creative Activities; and Service.
6. Teaching (for teaching faculty): All PPSs shall incorporate indicators of professional growth and accomplishment in the area of Teaching, as appropriate to the discipline. At a minimum, said indicators shall include peer observations of teaching and student responses to instruction (e.g., Student Ratings of Teaching or SRTs). PPS shall also indicate the relative weight of student responses to instruction and peer observations in relation to other indicators of professional growth and accomplishment in the area of Teaching.
  - a. Each program shall indicate in its PPS how teaching for CSUCI's Extended University (i.e., "non-stateside" teaching) shall be considered when evaluating faculty contributions in the area of Teaching and/or Professional Activities for the purposes of retention, tenure, and/or promotion.
  - b. Without prior approval from the appropriate administrator, teaching and professional activities undertaken at institutions other than CSUCI after commencing employment at CSUCI shall not be considered part of a faculty members' accomplishments in the area of Teaching and/or Professional Activities for the purposes of retention, tenure, and/or promotion.
7. Professional Activities (for Library and Counselor faculty): PPS for Library and

Counselor faculty shall incorporate indicators of professional growth and accomplishment in the area of Professional Activities as appropriate to their disciplines. Peer observations shall be one such indicator.

8. **Scholarly and Creative Activities:** As appropriate to its discipline(s), each program shall clearly indicate the appropriate editorial standards for faculty scholarship and creative work (e.g., peer reviewed, editorially reviewed, etc.) to be considered acceptable indicators of professional growth and accomplishment. PPS shall also indicate the relative weight of different editorial standards and authorship roles (e.g., sole author, lead author, co-author, etc.) for determining the professional growth and accomplishment of faculty in the area of Scholarly and Creative Activities.
9. **Service:** All PPSs shall incorporate indicators of professional growth and accomplishment in the area of Service, as appropriate to the discipline. PPS shall delineate the relative importance of service contributions to the program, the university, the discipline, and the community. Each program shall indicate in its PPS that the evaluation of faculty contributions in the area of Service shall consider any extraordinary compensation provided in exchange for performing said service (e.g., reassigned time beyond the standard three units provided to all faculty) when determining the faculty member's professional growth and accomplishment in the area of Service.
10. **Student Research Engagement:** Each program shall indicate in its PPS the area(s) of professional contribution under which engagement with student research may be considered for RTP purposes and how such engagement shall be evaluated. Each discrete activity of student research engagement referenced by faculty members in their portfolio shall be considered under only one category of professional contributions: Teaching (Professional Activities for Librarian and Counselor faculty); Scholarly and Creative Activities; or Service.
11. In the event that a faculty member's program area lacks its own PPS, the General

Personnel Standards (GPS) shall serve as the guide for preparation and review of the candidate's Portfolio. It is strongly suggested that a candidate in such a situation obtain advice from FASE, from a faculty mentor, and/or from their Program Chair when compiling the Portfolio.

12. If the faculty member's PPS changes during the interval between initial appointment to a tenure-track position at CSU Channel Islands and the time of application for retention, tenure, and/or promotion, the faculty member may choose to be reviewed using the new PPS or the PPS in effect at the time of appointment.

### J. PERIOD OF REVIEW

1. For reappointment, the period of review is the period since the last submission of the Portfolio for reappointment. Reappointment reviews shall be conducted keeping in mind the faculty member's overall growth and development in the progression toward tenure and/or promotion.
2. Faculty whose appointments begin in a fall semester shall submit a PDP (see Section H) and arrange for at least one peer observation (see Section K) before the start of their first spring semester, as indicated in the RTP calendar published by FASE. Peer observations shall be submitted by observers directly to FASE.
3. Faculty whose appointments begin in a spring semester shall submit a PDP and arrange for at least one peer observation before the start of their second spring semester as probationary faculty. Peer observations shall be submitted by observers directly to FASE.
4. For reappointment in the 3rd probationary year (or 4th probationary year for faculty hired with one or two years of prior service credit), the period of review is the entire probationary period, including years for which service credit is granted.

## University Retention, Tenure, and Promotion Policy

5. For tenure, the period of review is the entire probationary period, including years for which service credit is granted. For example, if a probationary faculty member received one year of service credit at the time of hire, they would begin at CSU Channel Islands in their second probationary year.
6. For promotion, the period of review is the time spent in rank, including accomplishments during time spent at the same rank at other four-year or graduate degree-granting institutions. For promotion of tenured faculty, the period of review is the time since tenure was granted.

### K. THE PORTFOLIO

1. The Portfolio consists of all materials submitted by a faculty unit employee for purposes of review for retention, tenure, and/or promotion, as well as various required forms. The combined Portfolio and Personnel Action File (PAF) form the Working Personnel Action File (WPAF) and shall be considered as a whole during retention, tenure, and promotion reviews. Evaluations, recommendations, and rebuttals, if any, are added at the various levels of review.
2. The Portfolio shall be compiled and submitted by the faculty member to be reviewed using the online platform indicated by FASE. It is the responsibility of the faculty member to ensure that the Portfolio is current and complete before it is submitted.
3. All faculty members undergoing RTP review shall submit their portfolio in digital format using the online platform indicated by FASE.
4. Materials may be added to the Portfolio until the submission deadline, at which time the Portfolio shall be declared complete.
5. After the submission deadline, materials may only be added by the faculty member with the permission of the URTPC. Materials added after the submission deadline shall

### M. ELIGIBILITY TO PARTICIPATE IN THE RTP REVIEW PROCESS

1. To be eligible to participate in the RTP review process, all PPC and URTPC members, Program Chairs, and administrators (i.e., Deans, Provost, and President) shall complete the anti-bias/equity training offered by FASE and the Director of Faculty Development prior to serving. Training shall be required of all aforementioned participants at least once for every two years of service in the RTP review process.
2. Faculty unit employees being reviewed for tenure and/or promotion are ineligible to serve in the RTP review process of faculty being considered for tenure and/or promotion.
3. Faculty unit employees and administrators serving in the RTP review process of faculty being considered for tenure and/or promotion shall hold a higher rank than the faculty whom they are reviewing. Consequently, some PPCs may have to be exclusively comprised of Full Professors (or equivalent).
4. Per the CBA, faculty unit employees shall not serve simultaneously at more than one level of review (e.g., faculty unit employees shall not simultaneously serve on the PPC and URTPC, nor shall they simultaneously serve on the PPC or URTPC and also submit their own separate evaluation as Program Chair).

## University Retention, Tenure, and Promotion Policy

### N. REQUIREMENTS FOR RETENTION

1. The goal of the RTP process is to assist faculty members in developing productive careers in order to qualify for tenure **and/or promotion** at the conclusion of their probationary employment. To be retained during the probationary period, faculty members are required to demonstrate progress toward tenure **and/or promotion** such that a positive decision is likely at the end of the probationary period.
2. The decision to retain a probationary faculty member is an affirmation that sufficient progress is being made toward tenure **and/or promotion** according to the faculty member's **PPS** and the approved **PDP**.
3. As indicated in PPS (or GPS in the absence of approved PPS), probationary faculty members are required to show appropriate **growth, development, and achievement** in each of the three areas of assessment. Moreover, when weaknesses have been identified in earlier periods of review, probationary faculty members are expected to address these weaknesses explicitly and show appropriate improvement.
4. The granting of retention requires that faculty members receive at least one evaluation rating of "On track to meet or exceed Program Personnel Standards" from the highest level of review (i.e., Dean or Provost/VPSA, depending on year of review).
5. Evaluation ratings achieved during retention reviews shall not imply that similar evaluation ratings will be achieved when applying for tenure and/or promotion. In other words, each RTP evaluation rating is not necessarily predictive of future ratings.
6. For retention reviews, ratings shall be assigned keeping in mind the faculty member's current year in the review process, as well as their overall growth and development in the progression toward tenure and/or promotion. Therefore, standards applied by reviewers shall be in line with reasonable expectations for

probationary faculty growth, development, and achievement along their entire path toward tenure and/or promotion.

7. The decision to grant retention shall be based solely on review of the faculty member's performance as documented by the evidence contained within their WPAF.

### O. REQUIREMENTS FOR TENURE

1. The granting of tenure is the most significant personnel action that the University takes as it represents an affirmation that the probationary faculty member will be an asset to the University over their entire career. Therefore, a positive tenure decision requires that the probationary faculty member has displayed a level of growth, development, and achievement that meets the expectations stated in this document and the PPS (or GPS in the absence of approved PPS).
2. The granting of tenure requires that the faculty member receive ratings of "Meets or exceeds Program Personnel Standards" in all areas of evaluation (Teaching and/or Professional Activities; Scholarly and Creative Activities; and Service) from the highest level of review.
3. Evaluation ratings achieved during retention reviews shall not imply that similar ratings will be achieved when applying for tenure and/or promotion. In other words, each RTP evaluation is not necessarily predictive of future ratings.
4. The granting of tenure before the normal six (6) years of full-time probationary service and credited service (as specified in the CBA) is rare, but may be considered under exceptional circumstances. The awarding of early tenure is reserved for faculty members whose accomplishments have markedly exceeded the PPS (or GPS in the absence of approved PPS) for the granting of tenure in all three areas of evaluation: Teaching and/or Professional Activities; Scholarly and Creative Activities; and

### Service.

5. Applications for tenure submitted more than one year early shall not be accepted.

6. The length and breadth of the applicant's entire record—including, when appropriate, service at the rank of Lecturer at CSUCI—shall be considered so as to determine the likelihood that prior patterns of achievement and contribution will be sustained if early tenure is granted.

7. The decision to grant tenure shall be based solely on a review of the faculty member's performance as documented by the evidence contained in the WPAF.

## P. REQUIREMENTS FOR PROMOTION

1. The granting of promotion to Associate Professor and Professor (or their equivalents) requires that the faculty member receive ratings of "Meets or Exceeds Program Personnel Standards" in all areas of evaluation (Teaching and/or Professional Activities; Scholarly and Creative Activities; and Service) from the highest level of review.
2. Evaluation ratings achieved in retention reviews shall not imply that similar ratings will be achieved when applying for tenure and/or promotion. In other words, each RTP evaluation rating is not necessarily predictive of future evaluation ratings.
3. Because the professoriate entails continual growth and development, the University expects that tenured faculty will continue to strive for excellence in all three areas of evaluation, and that successful faculty members will display accomplishments and continued growth throughout their careers. Therefore, the decision to grant promotion to the rank of Professor shall be based on a record that indicates sustained vitality and commitment to the standards described in this document and in the PPS (or GPS in the absence of approved PPS).

## University Retention, Tenure, and Promotion Policy

4. As stated in the CBA, probationary faculty shall normally be considered for promotion at the same time that they are considered for tenure. As with early tenure, the awarding of early promotion is reserved for faculty members whose accomplishments have markedly exceeded the PPS (or GPS in the absence of approved PPS) for the granting of tenure in all three areas of evaluation: Teaching and/or Professional Activities; Scholarly and Creative Activities; and Service. Applications for promotion submitted more than one year early shall not be accepted.
5. The length and breadth of the applicant's entire record—including, when appropriate, service at the rank of Lecturer at CSUCI—shall be considered so as to determine the likelihood that prior patterns of achievement and contribution will be sustained if early promotion is granted.
6. The decision to grant promotion shall be based solely on a review of the faculty member's performance as documented by the evidence contained in the WPAF.

### Q. PROCEDURES FOR RTP EVALUATIONS, RECOMMENDATIONS, AND DECISIONS

1. At all levels, those responsible for evaluating faculty and recommending actions shall review each WPAF with clear and specific reference to the applicable personnel standards, which shall be the approved PPS (or GPS in the absence of approved PPS). Recommendations and evaluations at each level of review, as well as the final decision on retention, tenure, and/or promotion, shall be documented in writing.
2. The URTPC is authorized to interpret both this document and the PPS (or GPS in the absence of approved PPS) in cases of dispute.
3. Service in the RTP review process is part of the normal and reasonable duties of tenured faculty.
4. Lobbying or harassing evaluators in the performance of their duties in the RTP process
