Title*

Nursing, M.S.N. Family Nurse Practitioner Emphasis – 45 units

Program Description*

The Master of Science, Nursing (MSN) is designed to prepare Advanced Practice Registered Nurses (APRNs) to provide primary and acute care services to diverse populations across the healthcare continuum and Nurse Educators to educate students in an academic and/or clinical setting. The curriculum provides students with a strong foundation in quality improvement; safety; and evidence-based practice by focusing on health and the healthcare system using an organizational and systems framework. The MSN program recognizes the role of the master's prepared nurse in health policy, advocacy, and interprofessional collaboration in the delivery of client-centered, culturally appropriate care with the aim of increasing the health of the population.

Follow these steps to create the New Program Curriculum Schema under Prospective Curriculum:

First, ALL needed courses must be added (new courses) and/or imported (existing courses) = **Step 1.** below. Second, the New Program Curriculum schema will be created by adding cores (e.g.: Requirements, Required Core, Electives, Pre-requisites, etc.) and populating with added or imported courses = **Step 2.** below.

Step 1. Adding and /or Importing Courses

Click on . There are two options to add courses to the New Program: "Add Course" and "Import Course." For courses that already are in the catalog, click on "Import Course" and find the courses needed. For new courses that are in the Curriculog Approval Process click on "Add Course"-- a box will open asking you for the Prefix, Course Number and Course Title. All new courses must have a New Course Proposal Form submitted in addition to this form.

Step 2. Creating Curriculum Schema

To create the New Program Curriculum Schema, Cores will need to be created and the courses above will need to be added. Click on  "View Curriculum Schema." Click on "Add Core" or "Import Core". Click on "New Core", complete the "Title" field for your core (e.g.: Electives), and the "Description" field if applicable. Click on "Add Courses". When you click on "Add Courses" it will bring up the list of courses available from **Step 1**. Select the courses you wish to add and click "Add Course". For removing courses click on the  and proceed.

Prospective Curriculum*

Students must obtain a grade of C or better in all courses to apply them to the Nursing MSN program. Also, a grade point average of 3.0 (grade of B) or better in all courses must be obtained to satisfy the requirements for the degree.

Notes (not required):

This program needs to be reviewed and approved by Curriculum Committee this fall so that there is time to get CO approval and start the WSCUC Substantive Change process. The WSCUC Substantive Change will take about 12 months to fully complete. To be able to enroll students in fall 2020, we will need WSCUC approval by spring 2020. Thanks for considering the tight time-line for getting this program up and going.
