Department:*	Nursing

Indicate level:*	○ Undergraduate ● Graduate

Title*	Nursing, M.S.N. Nurse Educator Emphasis - 39 units

Program Description*	The Master of Science, Nursing (MSN) Nurse Educator Emphasis is designed to educate students in an academic and/or clinical setting. The curriculum provides students with a strong foundation in quality improvement; safety; and evidence-based practice by focusing on health and the healthcare system using an organizational and systems framework. The MSN program recognizes the role of the master's-prepared nurse in health policy, advocacy, and interprofessional collaboration in the delivery of client-centered, culturally-appropriate care with the aim of increasing the health of the population.

Desired Term and Year of Implementation:

Term:*	Fall

Year*	2020

Follow these steps to create the New Program Curriculum Schema under Prospective Curriculum:

First, ALL needed courses must be added (new courses) and/or imported (existing courses) = Step 1. below. Second, the New Program Curriculum schema will be created by adding cores (e.g.: Requirements, Required Core, Electives, Pre-requisites, etc.) and populating with added or imported courses = Step 2. below.

Step 1. Adding and /or Importing Courses

 Click on ☰ **. There are two options to add courses to the New Program: "Add Course" and "Import Course." For courses that already are in the catalog, click on "Import Course" and find the courses needed. For new courses that are in the Curriculog Approval Process click on "Add Course"-- a box will open asking you for the Prefix, Course Number and Course Title. All new courses must have a New Course Proposal Form submitted in addition to this form.**

Step 2. Creating Curriculum Schema

To create the New Program Curriculum Schema, Cores will need to be created and the courses above will need to be added. Click on ☰ "View Curriculum Schema." Click on "Add Core" or "Import Core". Click on "New Core", complete the "Title" field for your core (e.g.: Electives), and the "Description" field if applicable. Click on "Add Courses". When you click on "Add Courses" it will bring up the list of courses available from **Step 1**. Select the courses you wish to add and click "Add Course". For removing courses click on the ✖ and proceed.

Prospective Curriculum＊

Students must obtain a grade of C or better in all courses to apply them to the Nursing MSN program. Also, a grade point average of 3.0 (grade of B) or better in all courses must be obtained to satisfy the requirements for the degree.

Nursing Core - 24 units

NRS 500 Advanced Health Assessment and Promotion
NRS 502 Advanced Pathophysiology
NRS 504 Advanced Pharmacology
NRS 506 Theoretical Frameworks and Professional Roles
NRS 508 Evidence-based Practice and Quality Improvement
NRS 510 Healthcare Policy and Nursing Issues
NRS 512 Informatics in Advanced Nursing Practice
NRS 540 Culminating Experience
[Right] *(Complete for a total of 3 units)*

Nurse Educator Emphasis - 15 units

Completion of courses in the Nurse Educator Emphasis will provide students with the requisite knowledge and skills to sit for the Certified Nurse Educator exam.

NRS 532 Concepts of Adult Learning
NRS 534 Curriculum and Program Development and

Evaluation for Nurse Educators

NRS 536 Innovations in Teaching and Learning

NRS 537 Nurse Educator Practicum I

[Right] *(Complete for a total of 3 units)*

NRS 539 Nurse Educator Practicum II

[Right] *(Complete for a total of 3 units)*

Graduate Writing Assessment Requirement

Prior to the awarding of the degree, writing proficiency is demonstrated by completion of NRS 508 with a grade of B or higher.

Specify the total number of prerequisite units required for the major. All prerequisites must be included in the total program unit count.

List all courses and unit counts that are prerequisite to the major:*	None

Notes (not required):	This program needs to be reviewed and approved by Curriculum Committee this fall so that there is time to get CO approval and start the WSCUC Substantive Change process. The WSCUC Substantive Change will take about 12 months to fully complete. To be able to enroll students in fall 2020, we will need WSCUC approval by spring 2020. Thanks for considering the tight time-line for getting this program up and going.
